

**Press Release Distribution
Services for the Energy,
Environment &
Manufacturing Industries**

Krishnan & Associates
Innovative Solutions for the Energy Industry

Press Release Distribution Services for the Energy, Environment & Manufacturing Industries

Krishnan & Associates, Inc. (K&A) offers a specialized press release development and distribution service for the energy, environmental, manufacturing and related industries in association with Business Wire.

Through co-operation with Business Wire, we will provide value-priced distribution to leading media in the Americas, including the US, Canada and Latin America, Asia-Pacific, Europe, Middle East and Africa with coverage of newspapers, television, radio and news agencies. Distribution to a global mobile audience via a variety of platforms and aggregators including AP Mobile, Yahoo! Finance and Viigo. Full text Arabic, French, German, Portuguese, Spanish, simplified-PRC Chinese, traditional Chinese, Japanese and Korean translations as well as Italian and Dutch summary translations are included based on your English-language news release.

In addition, K&A will distribute the press release to 60,000+ senior executives and personnel in the energy and environmental industries and social media distribution to K&A's specialized LinkedIn, Facebook and Twitter networks.

Scope of K&A Services

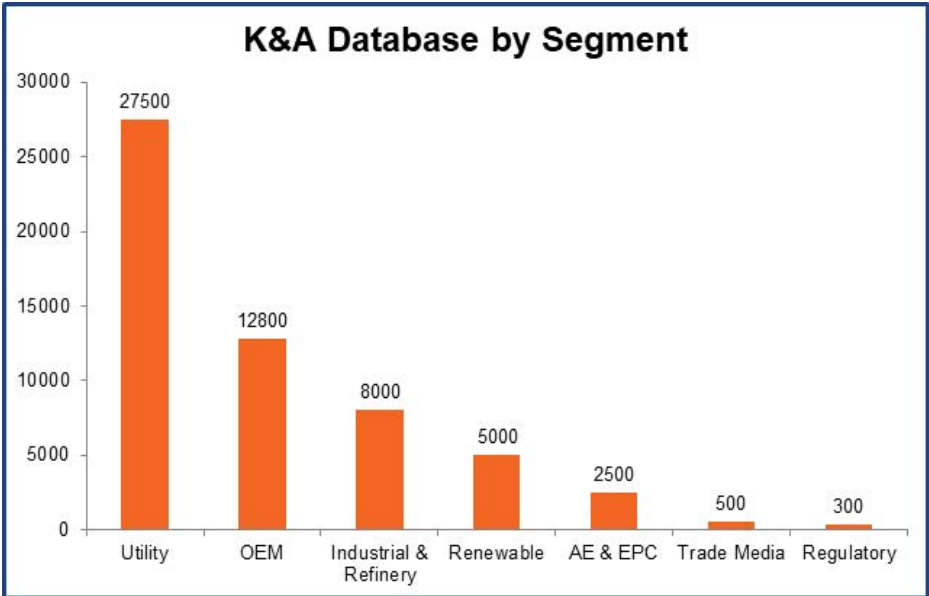

- I. Development of Press Release in English
- II. Translation of Approved Release in Arabic, French, German, Portuguese, Spanish, simplified-PRC Chinese, traditional Chinese, Japanese and Korean translations as well as Italian and Dutch summary translations
- III. Distribution of Press Release to K&A's Targeted Proprietary Energy Industry Database
- IV. Distribution of Press Release to K&A's Social Media Network
- V. Distribution of Press Release to leading media in the Americas, including the US, Canada and Latin America, Asia-Pacific, Europe, Middle East and Africa with coverage of newspapers, television, radio and news agencies
- VI. Newstrack Report with full summary of distribution, views, clicks, and other metrics

Benefits

- A single-step solution to reach targeted energy, environment and manufacturing industries, industry news media and investor audiences in key financial markets throughout the world
- Distribution and posting to online services, databases and websites as well as appropriate translations
- Archival of the Release on the Internet
- Targeted distribution to the Energy, Environment and Manufacturing Industries

Distribution to K&A Database

Krishnan & Associates, Inc. maintains a proprietary database of more than 60,000 key personal and executives within the Energy industry. This include people from Utilities, Independent Power Producers (IPP), Operations & Management (O&M), Engineering, Procurement, and Construction (EPC), Architects and Engineers (A&E), Refineries, Chemical Companies, Original Equipment Manufacturer (OEM) and Regulatory bodies across the globe. K&A will distribute the press release to our database.

REACH OUT TO THE GLOBAL ENERGY INDUSTRY

Power Plants

Petrochemical Plants

Industrial Facilities

EPCs

Refineries

OEMs

A&Es

Investors

Developers

Distribution to K&A Social Media

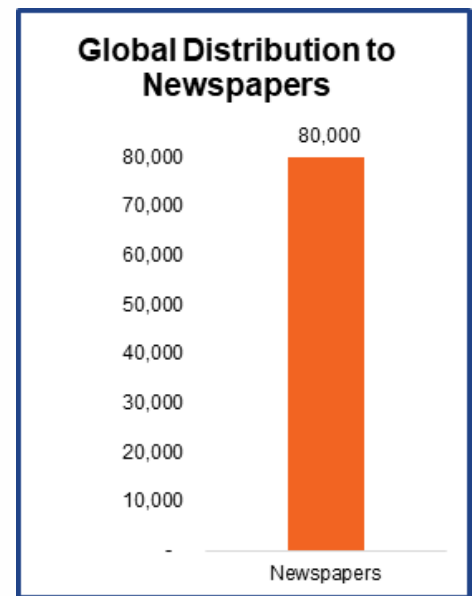

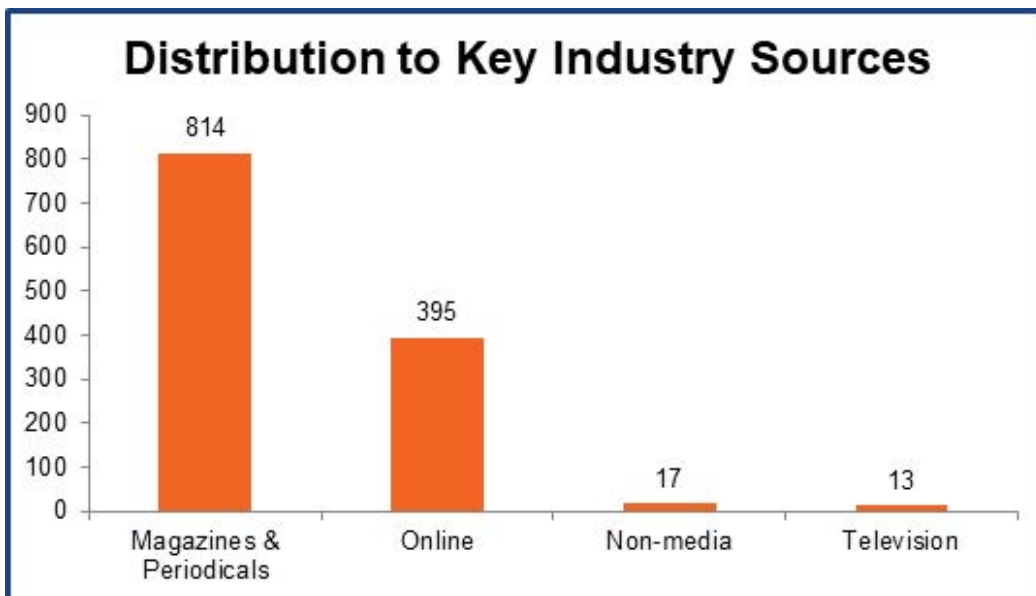

K&A is a very active participant in various social media channels (LinkedIn, Facebook, Twitter) in the Energy & Utility sector. K&A and its staff have a following of more than 15,000 targeted energy industry personnel across various generation sources in the energy industry. K&A will distribute the press release through its social media channels and make it available to our client for further distribution.

Distribution to Business Wire Media Sources

Krishnan & Associates in association with its partner Business Wire will distribute your press release to the following Magazines, Periodicals and Online portals within the Energy (Coal, Nuclear, Oil/Gas, Utilities, Alternative Energy, Other) Manufacturing (Steel, Packaging, Engineering, Chemicals/Plastics, Automotive) and Environment sectors.

Krishnan & Associates in association with its partner Business Wire will distribute your press release to the following Magazines, Periodicals, Television and Online portals in the Energy (Coal) sector.
